Notice to Parents : 03 / 2017

Dear Parents/Guardian,

VEHICLES DRIVE THROUGH PASS

In view of the heightened security measures taken by all schools, vehicles coming into the school will be subjected to checks by the security officers. This is to ensure that safety in the school is not compromised.

For easy identification, school would like to issue a "Drive-Through Pass" for you to display on your windscreen to minimize any potential inconveniences. This pass will only allow you to drive into the school to drop off or pick up your child.

Please furnish to the school with the required particulars in the reply slip below. Once the pass is ready, it will be passed to you through your child.

All visitors to the school are reminded to cooperate with us and comply with the school rules as stated in the school diary, pages 12 & 13. We seek your cooperation in working together to ensure that Balestier Hill Primary School remains a safe and secure environment for our children and staff.

Yours faithfully

Miss Tan Chay Eng
Principal
