Notice to Parents: **109/2017**

Dear Parents/Guardians,

School Bill

MOE is introducing for schools a new framework to manage their enrichment programmes (local & overseas) (EP) and school charges. A central service to bill would be implemented for all schools to collect and account for EP and school charges. The aim is to help reduce the frequency and amount of payment collections, and the corresponding administrative workload of schools. Parents can also make use of the Parent Gateway App to check on MOE and School bills and make payment through this app. Other forms of online payment are via the internet and AXS machines.

We would be using the new framework in 2018 to roll out the central service which would be a school bill that would only be given to you for enrichment programmes and other school charges that you have consented to through consent forms. For Singapore citizens who had earlier signed up for the Edusave Standing Order, the co-payment of enrichment programmes would be deducted from your child's edusave account. For non-Singapore citizens, you may pay the school bill via AXS machines, online and cash/cheque at the General Office.

Should you have any queries or concerns on the above, please contact the General Office at Tel: 63539451/2.

Thank you.

Yours faithfully,

Ms Tan Chay Eng
Principal
Balestier Hill Primary School
