f Dear Parents/Guardian, *Auth?*

Fast Forward Programme (FFP)

1) As part of the school's efforts in providing academic support to our students, the school is organising a Fast Forward programme. The programme utilizes Fast Forward, a computerized reading intervention which targets the root causes of reading difficulties. Developed by neuroscientists, it is an intensive evidence-based reading intervention that is developed for students with special needs and those who experienced slow progress in their academics. With more reading practice, students will be able to make improvements and show good progress.

The cost of the programme for per student is \$240. It is fully borne by the school. No payment is required by students. Hence, students who sign up for this programme must attend all the sessions to benefit from it. It will commence on **Friday, 7 July 2017**.

The detail of the programme is as follows:

	Monday	Wednesday	Thursday	Friday
Group 1	2.45pm to 3.30pm	2.00pm to 2.45pm	-	2.45pm to 3.30pm
