Notice to Parents: 93/2017

Dear Parents / Guardians of _____,

Learning Support Programme – Extensive Reading Tutor Recruitment

The Learning Support Programme (LSP) would like to recruit new tutors to guide the Primary One and Two LSP students in the Extensive Reading Programme (ERP).

ERP is a platform for weak readers to practise and consolidate their newly-learnt reading skills together with proficient readers who are able to guide weaker readers in their reading. All ERP tutors will guide weaker readers in their reading. They will help them enhance their word identification skills and their oral reading fluency. This in turn, encourages them to cultivate a positive attitude towards reading.

As such, we would like your child/ ward to participate in the programme as an ERP leader. **The programme is held daily from 7.05 a.m. – 7. 20 a.m.** All the resources for the programme are provided by the school. There will also be training provided.

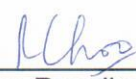

If you have any query, please feel free to contact me at 63539451. I look forward to your reply and thank you once again, for your continued support.

Please indicate your interest in the following reply slip.

Yours sincerely,

Mdm Faith Ng Siew Yeng
