Notice to Parents: 44/2018

Dear Parents,

SINGAPORE STUDENT LEARNING SPACE

As part of its commitment to nurturing future-ready learners, the Ministry of Education had announced that all students in Singapore schools will be supported in their learning by the Singapore Student Learning Space (SLS), an online learning platform that contains curriculum-aligned resources and learning tools.

2. With the SLS, students will be able to learn better through the use of technology. Students will be able to learn anytime, anywhere, and at their own pace, whether independently or with their peers. Teachers will also be able to use the SLS to complement their classroom teaching, further enriching students' learning experience.

3. SLS is being rolled out to all schools in phases. The students in our school will be given their accounts in April 2018. Our teachers will guide your child in activating the SLS account and using the learning platform.

4. We look forward to your support as we help our students strengthen their learning through the SLS.

Yours sincerely,

Miss Tan Chay Eng
Principal, Balestier Hill Primary School
