Dear Parents/Guardian,

Science Enrichment “Experiential Learning with Concept Mapping” – Primary 3

As part of the school’s efforts to provide an enriching and holistic education for our students, the Science department is organising the above – mentioned enrichment programme for the P3 cohort.

Objectives of the programme

Students will be able to:

1. have exposure to experiential learning of science concepts with the introduction of concept map.
2. use concept map as a tool to improve their conceptual understanding of Science concepts.
3. develop the skills of concept mapping and are be able to draw the maps independently.

The total cost of the enrichment programme is \$42, which will be fully subsidised by the school. Hence, it is important for your child/ward to seize this opportunity and attend this programme.

The details of the programme are as stated below:

Date	16 May (Wed) , 17 May (Thurs) and 18 May (Fri) 2018
Time	During curriculum time (2hrs per session)
Venue	Respective P3 classrooms

For any enquiries, please feel free to contact me at 63539451 (General Office).

Thank you.

Yours faithfully,

Mdm K. Maha Ietchimi
HOD Science
