6 April 2018

Notice to Parents : 41/ 2018

Through Principal *6/4/18*

Dear Parents/Guardian,

Primary 3 Science Enrichment on 'Growing Mushrooms'

As part of the school's efforts to provide an enriching and holistic education for our students, the Science department is organising the above – mentioned enrichment programme for the P3 cohort.

The objective of this programme are as follows:

- To provide students with a deeper understanding of the mushroom kingdom and their role in nature.
- To expose students to new Science knowledge which they will only learn at a higher level and reinforce existing knowledge which they have learned through textbooks.
- To provide students with a hands-on experience of growing their own mushrooms using grow kits.
- To differentiate fungi from animals and plants
- To differentiate between edible and inedible mushrooms

Schedule for the enrichment lesson on 13 April, Friday.

Class	Time
Grace 1	12.30 – 1.30 pm
Grace 2	10.30 – 11.30 am
Grace 3	9 – 10 am

Please note that this programme is fully subsidized by the school and it will be held during the curriculum time.

Thank you.

Yours faithfully,

Mdm K. Maha letchimi
HOD Science
