

**Make it a Valentine Date with your Child on 14 February 2015 (Saturday, 9.00 am – 12.00 nn)
Family Matters @ School brings “ACES GO PLACES TOGETHER” -
Bonding Workshop for Parents and Child on how to succeed in their own special ways**

Do you believe that your child can be successful in his own way? Does your child need to follow what you or others want him to do all the time? This workshop aims to help parents know how their children can succeed in their own terms. By taking care of their children's feelings, parents will learn how to help their children turn adversity into opportunity, from seeing themselves as losers to winners and not giving up on themselves.

Outline:

Parents will learn:

- the unique strengths and weaknesses of their children
- how to turn their weaknesses into opportunities for learning
- how their children can be successful in their own ways
- how to support their children in achieving their goals

Children will learn:

- they have their own unique strengths, no one is completely the same
- how to cope with their feelings of negativity
- how to set goals without being distracted by other 'noise' around them

Trainer will be from Morning Star Community Services - a member of National Council of Social Services (NCSS) since 2003. Their mission is to enrich and strengthen family relationships and emphasise on learning for life and helping individuals with their families to acknowledge strengths and respect in each person.
